

Who is eligible?

Anyone who is enrolled in high school (or the equivalent) is eligible for CLEP. There are no age limitations. Students who are enrolled at IWCC may apply credits earned by CLEP examination toward their degree. However, new students entering college directly from high school are encouraged to consult with their counselor or with an admissions advisor about the advisability of their participation in the program.

How will credit be awarded for CLEP?

CLEP-earned credits will be recorded on the student's Iowa Western transcript only if they are enrolled and attending IWCC. Because students are not awarded a letter grade, test scores are not used when computing the student's grade point average. A maximum of 20 credit hours can be earned through CLEP at Iowa Western. Credit cannot be awarded if the student has already earned college credit for an equivalent course.

Will CLEP credit at IWCC transfer to other institutions?

CLEP credit earned at IWCC usually transfers to other colleges or universities. However, Iowa Western does not assume responsibility for the transferability of CLEP credits.
